THE ESSENTIAL OF MINI.

MINI ORIGINAL ACCESSORIES.

THE MINI ADVANCED CAR EYE 3.0

The MINI Advanced Car Eye 3.0 has a high resolution QHD camera on the windscreen which monitors the car both whilst it is being driven and when it is parked. Smart sensors enable the camera to record both potentially dangerous traffic situations and also (attempted) break-ins and property damage - even in difficult lighting conditions. The detailed videos can be evaluated using the Advanced Car Eye app.
